HELLO!

Thank you for choosing Sugar + Spice Photos for your photo needs! My name is Laura and I am the owner and photographer of Sugar + Spice Photos, which was established in 2007.

I graduated from Syracuse University in 1998 with a degree in Design. I was a fabric designer for 11 years before I decided to pursue my own business 110%. Photography and design have always been a passion of mine, and it makes me so happy to share my talent with others.

The name "sugar + spice" was inspired by my sweet and fiesty twin girls, Emma and Izzy, who are 15.

I am also the mom to 2 fur babies and the wife of a very supportive husband, Sean.

Fun facts about me:

- I am an only child.
- I have twins.
- I have a love/hate relationship with running.
- I am easily pleased with sushi, wine or cheesecake. (or all 😊)
- I was Delta Gamma at Syracuse.

"Laura is amazing! We just had a newborn session with her. Love the pictures. So easy to work with. Highly recommended." -I.M.

"We used Laura for our Christmas photos and were beyond thrilled with the results. We had a very active 3 year old and Laura was beyond patient. I was a little worried that she wouldn't be able to capture any good shots...boy was I wrong! Each one was better than the next! So happy with Laura and highly recommend her as well as her talent!" -J.P.

"Laura has been our family photographer since we had our twins six years ago. Her images are beautiful, edited and returned quickly, and she is friendly and delightful to work with. She always manages to wrangle a smile out of our moody children and make us look more beautiful than we actually are! ★★★★★" -M.C.
